  - b) Mechatronics
  - c) Chemical/Environmental Engineering
  - d) Food Science or Technology
  - e) Information and Communication Technology
  - f) Quality Assurance

**Salary** Negotiable

**Scale:**

The duties for the post are available on the website of the Mauritius Standards Bureau.

#### **Mode of Application**

Applications should be submitted using the prescribed MSB application form which are available either at the **Reception Desk of the Mauritius Standards Bureau at Moka** or **may be downloaded from the website at <http://msb.intnet.mu>**. Further information is also available on the website of the MSB.

The prescribed Application Form duly filled in, together with photocopies of National Identity Card, Birth, Educational & Professional Certificates and documentary evidence of any experience claimed should be submitted by registered post to the **Director, Mauritius Standards Bureau, Villa Road, Moka 80805 not later than 15 00hrs on 12 June 2026.**

The envelope should be clearly marked **“Quality Officer – Chemical Unit” or “Quality Officer – Engineering Unit” or “Quality Officer – Quality Assurance Unit”** on the left-hand corner.

**Evidence of knowledge/experience claimed and equivalence of qualification acceptable to the Standards Council**

The onus for the submission of written evidence of knowledge/experience claimed and equivalence of qualification (if applicable) acceptable to the Standards Council from the relevant authorities (Higher Education Commission or Mauritius Qualifications Authority) rests on the candidates. Applications will not be considered in case of non-submission of written evidence of knowledge/experience claimed and Equivalence Certificate, as appropriate, by the closing date.

Only the best qualified candidates will be called for interview.

The Bureau reserves the right not to make any appointment as a result of this advertisement.
